ACKNOWLEDGEMENT

The satisfaction and euphoria that accompanies the successful completion of any task would be incomplete without the mention of the people who made it possible and whose constant encouragement and guidance has been a source of inspiration through the course of Computer Science Engineering

We would like to express our deep sense of gratitude to Principal **Dr. M.S.Indira** for her continuous efforts in creating a competitive environment in our college and encouraging us throughout this course.

We express our gratitude to **Prof. Dilip K.Sen**, D. of Computer Science & Engineering Department, SMVIT, Bangalore for his wonderful guidance and support. Also, to VTU for having given an opportunity to showcase our dedication and talent.

We express our sincere gratitude to our internal guides, **Elaiyaraja P** and **Ravindra Patil**, Asst. Professors Computer Science Department, Sir MVIT.

We are thankful to all our professors and the entire department of **Computer Science and Engineering, Sir MVIT** for their co-operation and suggestions without which this Project would not have been successful

We also thank all our friends who have directly and also those who indirectly supported us in completing this project.

Our heartfelt thanks to all the above mentioned people who have contributed in the accomplishment of this project.
